FREE CURBSIDE TRASH COLLECTION ENDS FOR NON-REGISTERED HOMES; UPDATES TO GSWA SERVICES EFFECTIVE MONDAY, JUNE 12, 2023

(Guam, June 9, 2023) – The Guam Solid Waste Authority (GSWA) today announced important updates to services that will take effect Monday, June 12, 2023.

Curbside Trash Collection:

After two weeks of free curbside trash collection for all residents, curbside trash collection services will once again be provided exclusively to registered customers of GSWA. Only GSWA issued trash carts will be serviced effective Monday, June 12, 2023. Any excess bags must be tagged with GSWA issued trash tags which can be purchased at GSWA office or any residential transfer station.

Curbside Recycle and Bulky Waste Collection:

Curbside recycle collection and bulky waste collection services are expected to resume on Monday, June 19, 2023. Customers who have existing appointments will be contacted for rescheduling by a GSWA Customer Service Representative. If you need to cancel your appointment, please contact customer service at 671-646-3111 or email customerservice@gswa.guam.gov.

Residential Transfer Stations (Harmon, Agat, and Malojloj):

The residential transfer stations will return back to regular hours of operation – Thursday through Monday, 9:00am to 5:00pm, closed on Tuesdays, Wednesdays, and Government Holidays. Please also note that effective June 12, 2023, all trash being disposed at the transfer stations will be charged a fee, and appliances will no longer be accepted.

Layon Landfill:

The Layon Landfill will return to regular hours of operations – Monday through Friday from 7:00am to 3:30pm, and on Saturday from 7:00am to 2:30pm. The Hauler-Only transfer station may have extended hours of operation if necessary.

Replacement of Lost or Damaged Trash Carts:

Replacement carts can still be paid for and picked up at the GSWA office. Additionally, cart delivery scheduling will resume on Monday, June 12, 2023. Customers whose carts are lost or damaged and require a replacement will be charged a replacement fee of \$74.75. This fee represents only 60% of the actual cost GSWA incurs when purchasing the carts.

We appreciate the patience and understanding of our customers during this recovery period after Typhoon Mawar as we return back to normal operations. Please visit the GSWA website for further updates and announcements or contact GSWA Customer Service at 671-646-3111 or email customerservice@gswa.guam.gov.
