GPA ANNOUNCES SCHEDULED POWER OUTAGE: Inalåhan

The Guam Power Authority advises that a power outage is scheduled as follows:

**Thursday, April 21, 2022
8:30am to 2:30pm (6 hours)**

Customers affected are as follows:

VILLAGE: Inalåhan

AREA: Ugum Water Treatment Plant, As Alonso Rd., Wolford Heights, Paulino Heights, and customers in the area

REASON: Crews will be performing maintenance work.

Customers using backup generators, please ensure your main breaker is in the open position to ensure the safety of the GPA line crews.

GPA regrets the inconvenience; however, the outage is necessary as a safety precaution while crews are working on the lines.

GPA appreciates your patience and cooperation.
