GPA ANNOUNCES SCHEDULED POWER OUTAGE: Nimitz Hill, Asan

The Guam Power Authority advises that a power outage is scheduled as follows:

Friday, April 29, 2022

9:00am to 2:00pm (5 hours)

Customers affected are as follows:

VILLAGE: Nimitz Hill, Asan

AREA: Customers along Turner Road and surrounding areas, including the Channel 10 area.

REASON: Crews will be making upgrades in the area.

Customers using backup generators, please ensure your main breaker is in the open position to ensure the safety of the GPA line crews.

GPA regrets the inconvenience; however, the outage is necessary as a safety precaution while crews are working on the lines.

GPA appreciates your patience and cooperation.
