MONDAY AND TUESDAY RESIDENTIAL ROUTES - CHANGES

(Guam June 30, 2022) – The Guam Solid Waste Authority (GSWA) today announced that there will be changes in the operations for curbside collection services beginning on Monday, July 4, 2022.

The Guam Solid Waste Authority’s General Manager, Irvin Slike, stated that management has made a decision to implement a double-shift for the Authority’s Monday and Tuesday collections in order to address some of the continued challenges the Authority faces such as the decrease in operable fleet and frequent on-road service and repairs. GSWA understands the continued frustrations customers have expressed and is hoping to address some of these concerns with the shift change. Although there is no change to the trash collection days, some customers may notice collections may run later than usual.

Curbside collections will be divided into a morning shift, beginning at 3:00am, and an afternoon shift beginning at 12:00 noon. The following schedule provided and is subject to change:

Monday Collections – Morning Shift General Collection Area	Monday Collections – Afternoon Shift General Collection Area

Please visit www.gswa.guam.gov to review a more detailed listing of streets.

There will be no changes to the Mini-Packer collection route.

GSWA customers will still be expected to place their bins curbside 12-hours prior to their collection days. GSWA also asks that any missed collections be reported in within 24-hours of the missed collection day.

The Authority asks that customers please visit www.gswa.guam.gov or call Customer Service at 671-646-3111 for further questions. GSWA also encourages customers to sign up email notices on our website to receive any updates as they arise.
