GUAM SOLID WASTE AUTHORITY LAUNCHES AUTOMATIC PAYMENT SYSTEM

(Guam, January 8, 2025) – The Guam Solid Waste Authority (GSWA) is delighted to introduce an automatic payment option, providing a complimentary and convenient method for our esteemed customers.

Customers who have registered for Online Bill Pay will now have access to this new feature, which aims to improve their payment experience by enabling automatic payments directly through their online accounts.

With the AutoPay feature, payments will be automatically deducted from the designated card on the 15th of each month from their debit or credit cards (Visa, Mastercard, Discover) without any hassle. This service eliminates the need to wait in long lines, write checks, mail payments, or remember due dates for bills.

The advantages of utilizing automatic payments include:

- **Convenience:** Automatic payments allow for effortless bill settlement without the need for checks, queues, or mailing.
- **Time Efficiency:** This feature saves time by removing the necessity to monitor bills and make payments manually.
- **Dependability:** Automatic payments guarantee that your bills are paid on time, every time.

Customers who have not yet registered for Online Bill Pay are encouraged to do so by visiting www.gswa.guam.gov. For further inquiries, please reach out to GSWA Customer Service at 671-646-3111 or via email at customerservice@gswa.guam.gov.
