# PREVENTATIVE MAINTENANCE OUTAGE

**DATE:** **Thursday, September 11, 2025**
**TIME:** 9:00 a.m. to 2:00 p.m. (5 Hours)

**FEEDER:** **A portion of P-321**
**VILLAGE:** Mangilao (Route 15 Pagat Area)

**AREA:** Customers affected are along Fadian Point Road, Sea Breeze Lane, Southern Cross Lane, Banana Lane and surrounding areas.

**WHY WILL MY POWER BE OFF?**
GPA makes system improvements and conducts preventative maintenance to avoid future power outages. In most cases, the job can be done with no impact to customers; however, sometimes the power needs to be shut off in order for the crews to work safely. We understand that this can be inconvenient and uncomfortable. We are committed to keeping our customers and employees safe and we will turn the power back on as soon as we can.

**WHAT CAN I DO?**
**- If you have a generator, make sure your main breaker is in the open position for the safety of our line crew.**
- Have a plan for alternate power source for electrical medical equipment.
- Charge all cell phones.
- Minimize opening refrigerator and freezer doors during the outage.

**FOR POWER EMERGENCIES, PLEASE CONTACT GPA POWER SYSTEMS CONTROL CENTER (PSCC) DISPATCH AT (671) 475-1472/3/4.**

GPA appreciates your patience and cooperation.

***Power to Serve!***
