

PREVENTATIVE MAINTENANCE OUTAGE

DATE: Wednesday, September 17, 2025
TIME: 9:00 a.m. – 3:00 p.m. (6 hours)

FEEDER: A portion of P-312
VILLAGE: Barrigada (Tiyán Area)
AREA: Customers affected are along East Sunset Boulevard, West Sunset Boulevard (Punzalan Street), Central Avenue, First Street, Second Street, Third Street, Fourth Street, Captain Road, and surrounding areas.

Other customers affected include PCR Environmental, Island Honey Bee, TG Engineers and Corner Stone Valuation.

***GPA would like to note that this is an on-going project for the next few weeks. GPA line crew will be replacing wooden poles with concrete poles in this area. GPA will release an outage announcement for every scheduled occurrence.**

WHY WILL MY POWER BE OFF?

GPA makes system improvements and conducts preventative maintenance to avoid future power outages. In most cases, the job can be done with no impact to customers; however, sometimes the power needs to be shut off in order for the crews to work safely. Isolating power lines are necessary for safety precaution. We understand that this can be inconvenient and uncomfortable. We are committed to keeping our customers and employees safe and we will turn the power back on as soon as we can.

WHAT CAN I DO?

- **If you have a generator, make sure your main breaker is in the open position for the safety of our line crew.**
- Have a plan for alternate power source for electrical medical equipment.
- Charge all cell phones.
- Minimize opening refrigerator and freezer doors during the outage.

FOR POWER EMERGENCIES, PLEASE CONTACT GPA POWER SYSTEMS CONTROL CENTER (PSCC) DISPATCH AT (671) 475-1472/3/4.

GPA appreciates your patience and cooperation.

Power to Serve!
