

PREVENTATIVE MAINTENANCE OUTAGE

DATE: Friday, October 31, 2025
TIME: 9:00 a.m. – 3:00 p.m. (6 hours)
FEEDER: A portion of P-003
VILLAGE: Piti (Cabras Highway area)

AREA: Customers affected are along Glassbreak Water Access Road and surrounding areas.

Other customers affected include Guam Ocean Adventures, Charles Marine Sports Club, McJay Scuba Company, Outhouse Beach Scuba Diving, Cementon Micronesia LLC, Guam Gaja Aqua Walk Sports Club, and surrounding businesses.

SCOPE OF WORK: GPA Line crew will be replacing one concrete pole, and changing out cross arms and associated hardware.

WHY WILL MY POWER BE OFF?

GPA makes system improvements and conducts preventative maintenance to avoid future power outages. In most cases, the job can be done with no impact to customers; however, sometimes the power needs to be shut off in order for the crews to work safely. Isolating power lines are necessary for safety precaution. We understand that this can be inconvenient and uncomfortable. We are committed to keeping our customers and employees safe and we will turn the power back on as soon as we can.

WHAT CAN I DO?

- **If you have a generator, make sure your main breaker is in the open position for the safety of our line crew.**
- Have a plan for alternate power source for electrical medical equipment.
- Charge all cell phones.
- Minimize opening refrigerator and freezer doors during the outage.

FOR POWER EMERGENCIES, PLEASE CONTACT GPA POWER SYSTEMS CONTROL CENTER (PSCC) DISPATCH AT (671) 475-1472/3/4.

GPA appreciates your patience and cooperation.

Power to Serve!
